International Students:

If you require a student visa, please do not use these instructions. Instead follow the procedure “How to Apply to Woodside if You Need a Student Visa” On the other side of this page.

If you already have an F-1 student visa from another school in the U.S., then follow the procedure on this page. Once you have been accepted, you will need to request a new I-20 as a transfer student. The fee for this is the International Student Fee of \$1995.00, due before enrollment.
